***Tech-Seal™** "The Best Finish in the Industry", is a trademarked, revolutionary finish Only available through JNE Retail Equipment Inc. This breakthrough in technology results in an attractive, long-lasting, easy-to-clean finish that is virtually corrosion resistant. The Tech-Seal™ coating is done as a 3 Stage process: A *Pretreatment*, for cleaning and conditioning the metal; a *Cathodic Electrocoating*, for a tough corrosion resistant epoxy resin primer; and a final *Top Coating*, for a smooth, durable Polyester and Teflon coated finish.
