

STYLISH & DURABLE WAY TO MANAGE INDOOR & OUTDOOR SHOPPING CARTS

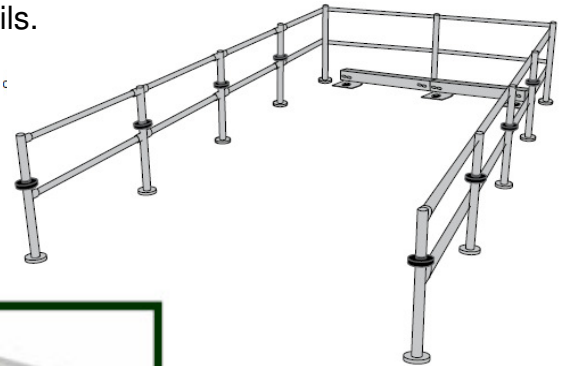

SPECIFICATIONS

Custom Modular Post and Rail to Centralize the location of shopping carts for easier access for customers.

Post Bumper Guards can be added to protect Posts and shopping carts from impact damage.

Customized for any Indoor or outdoor space. Call for more details.

POSTS

Available in double rail (pictured) or triple rail configurations.

MODULAR RAILING

Available in various standard lengths, or can be modified to fit any configuration.

CB

Fixed floor bumper absorbs impacts from shopping carts being returned. The heavy duty CB spring action steel bumper system is the preferred choice for corrals and other high impact case and wall protection applications.

Disclaimer: All specifications are approximate. Manufacturers Specs are subject to change. Colours not exactly as shown.
